

3D RENDERING

A close-up photograph of a Sony Kinos camera lens. The lens features a prominent silver barrel with a black ring at the front. The word "SONY" is printed vertically in silver on the black ring, and "KINOS" is printed vertically in black on the silver barrel. The lens is set against a dark, textured background, possibly the camera's body.

I am a **skilled 3d Modeller** and **graphic designer** with a strong passion for creating visually appealing designs.

My experience includes modeling, texturing, crafting, social media layouts, editing, illustrations, poster designs and developing marketing materials that effectively convey my client message. With nearly 15 years of designing experienced, I have mastered design tools such as Adobe Creative Suite to bring my ideas to life.

My primary goal is to design materials that not only look outstanding but also fulfill their intended purpose.

Academic Qualification :

Diploma Diploma in Computer Hardware
Tamilnadu Open University

H.S.C. Higher Secondary Education
MDT High School, Tirunelveli.

Work Experience

2022 - 2024

Senior Graphic Designer

Wajhat Smart Trading Company, Al-Riyadh, Saudi Arabia.

I have been involved in crafting captivating and informative packaging designs for our company's products, submitting them for marketing team approval, actively seeking feedback, and iteratively refining the designs to ensure they achieve the desired impact for the entire organization. Engaged in product photography, proficient in photo editing, and adept at image retouching to maintain quality standards and uphold the brand's enhancement. Developing Marketing instruments such as brochures, flyers, catalogs, and posters to promote the company's products or services to distributors, retailers, and end consumers. Ensuring and keep improving these instruments engaging and effectively communicating the key features and benefits of the products to the target customers.

2017 - 2021

Senior Graphic Designer with Printing Business

Own Business, India

As a dedicated business owner, I approach every project, whether it's basic flex designing or advanced graphical work, as a chance to inject my creativity and expertise into the design process—a challenge I wholeheartedly welcome. From conceptualization to execution, I meticulously scrutinize every detail, striving tirelessly for perfection. My ultimate aim is not only to meet but exceed customer expectations, thereby creating tangible value for their businesses
